The Summer Workshop is supported by a National Science Foundation-Plant Genome Research grant DBI-0604439 to Jay Thelen.
General Information

Registration
Registration is at no cost and available to any secondary science educator interested in learning more about proteomics.

Lodging
Complimentary lodging is available to workshop attendees through MU Campus Housing. Please mark on the registration form if you would like a room, reserved free of charge, for the duration of the conference.

Local Hotel reservations may be secured at the attendee’s expense. If you would like additional information on local accommodations please email thelenj@missouri.edu.

Parking
On-campus parking will be made available at the Virginia Avenue Garage. A map and parking tag will be mailed prior to the workshop with registration confirmation.

Conference Site:
Life Sciences Center at UMC.
Specific room assignments will be confirmed in the registration confirmation packet.

Workshop Schedule

June 10
1:00-2:00 Registration/Opening
2:15-3:15 Welcome/Introduction to course work and outline
3:30-5:00 Introduction and Lab for Protein Preparation
5:15-6:00 Introduction to applications
6:00-7:00 Welcome Reception
(appetizers are provided)

June 11
8:15-8:45 Complimentary Breakfast
8:45-9:15 Protein Gel Electrophoresis Intro
9:15-12:00 Protein Gel Electrophoresis Lab
12:00-1:00 Lunch provided
1:00-1:45 Trypsin Digestion Intro
2:00-5:00 Trypsin Digestion Lab
5:10-5:40 Review
Dinner on your own

June 12
8:15-8:45 Complimentary Breakfast
8:45-9:15 Protein Identification by Mass Spectrometry Intro

June 12 (continued)
9:15-10:00 Protein Identification by Mass Spectrometry Lab
10:00-10:15 Snack/Break
10:15-10:45 Database search Intro
10:45-12:15 Database search Lab
12:15-1:00 Conclusion

Contact Dr. Jay Thelen if you would like more information regarding the summer workshop.
